a strange place  
a place unknown  
only a stone's throw  
from the human race

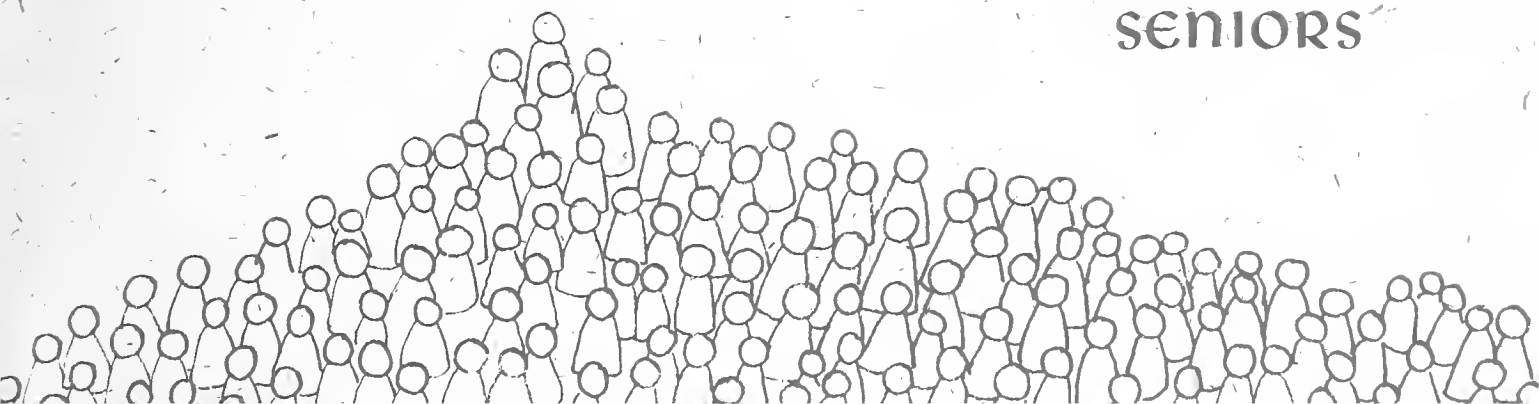

thus grew the tale of wonderland  
thus slowly one by one,  
its quaint events were hammered out--

"The future holds many mysteries, . . .  
 . . . Life moves with certainty ---  
 Among all the uncertainties . . .  
 Always ---  
 the future will take care of  
 itself  
 as it becomes the present . . ."

~Gwen Frostic
